SUBJECT: Re Assassination Pres. John F. Kennedy
(LEE HARVEY OSWALD
IS - R - CUBA)

At 3:42 p.m. I attempted to call the Dallas Office by direct distance dialing and was unsuccessful. In view of this, at 3:45 p.m. I called the long distance operator and asked her to call the Dallas Office. The call went through without difficulty and I talked to GORDON SHANKLIN.

I advised SHANKLIN a message had been received through the Shreveport RA from SA SAM COTTON that Dallas desired to obtain the fingerprint classification and descriptive data concerning LEE HARVEY OSWALD, who was reported in Dallas being held on a local charge and was possibly being considered a suspect in the assassination of President KENNEDY. I advised SHANKLIN I could furnish him with the NOPD fingerprint classification.

I was thereafter transferred to a Dallas stenographer and furnished her with the NOPD fingerprint classification as set out on reverse side of OSWALD's NOPD photo which bears #122723.
